The lights in the BUBBLE series create remarkable accents with a wow effect in your living area. The pendant light unfolds its extraordinary effect particularly impressively above a dining table and plays with light and shadow thanks to its unmistakable design. The unique design of the luminaire is emphasised by the material combination of amber-coloured glass and anthracite and gold-coloured metal. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
