

Pendant

TUBULAR – 321691131

incl. 11x SMD LED, 2,8W · 11x 350lm, 3000K

- **Dimmable via switch**
- **Ceiling mounting**
- **IP20**
- **Adjustable in height**

The stylish design of the pendant luminaire makes the TUBULAR an ultimate eye catcher. As targeted illumination above the dining table, the luminaire is particularly effective and provides optimal lighting conditions. An integrated SWITCH dimmer allows the brightness to be graded from 100% to 50% and 25% via a conventional light switch. The 11-light pendant lamp has a maximum height of 150 cm. The individual light sources vary in length from 22 to 36 cm and can be shortened independently of each other to create an individual image. The pendulum in matt white can be integrated wonderfully into modern living spaces where it creates a pleasant atmosphere. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Material construction

Metal · White mat

Product dimensions

Height: 150cm
Diameter: 40cm
Weight: 3,47kg

Technical data

Light source: SMD – LED (integrated)
Watt: 2,8W
Lumen: 11x 350lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 1
IP classification: IP20
