

Pendant

NALA – 344310179

incl. 1x SMD, 57W · 1x 6800lm,
2300+3000+4000K

- Dimmable via switch
- Ceiling mounting
- Not suitable for external dimmer
- Registered model
- IP20
- Adjustable in height
- Colours directly adjustable at the lamp

The extraordinary lights in the NALA range impress with their curved design. Consisting of two continuous lighting elements, the pendant light becomes a central eye-catcher above a dining or living room table. In addition to its design, the light offers practical functions. The integrated SWITCH dimmer makes it possible to adjust the brightness in three levels (100%, 50% and 25%) using a conventional light switch. You can also use the DIP SWITCH directly on the luminaire to choose from three different light colours to create the atmosphere you want. The combination of design and a gold-coloured surface gives the NALA pendant light a very special touch. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.

Material construction

Metal · Gold

Product dimensions

Width: 113cm
Height: 150cm
Depth: 24cm
Weight: 2,5kg

Technical data

Light source: SMD – LED (integrated)
Watt: 57W
Lumen: 1x 6800lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20

Dealer information

EAN Code: 4017807578270
Customs number: 94051190900

Packaging dimensions & weight

Quantities: 1

Width: 22cm
Height: 37cm
Depth: 114cm
Weight: 4,2kg
