

Pendant

ORBIT – 344410807

incl. 8x SMD, 8W · 8x 960lm, 2300+3000+4000K

- **Up and Down lighting**
- **Dimmable via switch**
- **Ceiling mounting**
- **Registered model**
- **Height adjustment without counterweight**
- **IP20**
- **Colours directly adjustable at the lamp**

The ORBIT luminaire series impresses with its elegant design, which shines as a fascinating eye-catcher above any dining table. With its up and down lighting, the eight-light pendant luminaire creates a cosy backdrop of light that invites you to linger and enjoy. The height of the light sources can be effortlessly adjusted to your individual requirements by simply pushing them up or pulling them down. This guarantees maximum comfort and an optimum lighting experience that is exactly what you want. With the DIP SWITCH, you can choose from three different light colours directly on the luminaire to create the atmosphere you want. The brightness can be regulated in three stages using a conventional light switch. The spherical design in combination with the matt black and matt nickel colour combination gives the light a modern and elegant touch. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.

Material construction

Metal · Nickel mat

Product dimensions

Width: 155cm
Height: 200cm
min. height: 8cm
Depth: 13cm
Weight: 8,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 8W
Lumen: 8x 960lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20

Dealer information

EAN Code: 4017807618532

Customs number: 94051190900
