

Pendant

## ORBIT – 344410832

incl. 8x SMD, 8W · 8x 960lm, 2300+3000+4000K

- **Up and Down lighting**
- **Dimmable via switch**
- **Ceiling mounting**
- **Registered model**
- **Height adjustment without counterweight**
- **IP20**
- **Colours directly adjustable at the lamp**

The ORBIT luminaire series impresses with its elegant design, which shines as a fascinating eye-catcher above any dining table. With its up and down lighting, the eight-light pendant luminaire creates a cosy backdrop of light that invites you to linger and enjoy. The height of the light sources can be effortlessly adjusted to your individual requirements by simply pushing them up or pulling them down. This guarantees maximum comfort and an optimum lighting experience that is exactly what you want. With the DIP SWITCH, you can choose from three different light colours directly on the luminaire to create the atmosphere you want. The brightness can be regulated in three stages using a conventional light switch. The spherical design in conjunction with the colour combination of matt black and coffee gives the light a modern and elegant touch. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.

### Material construction

Metal - Black mat

### Product dimensions

Width: 150cm  
Height: 200cm  
Depth: 13cm  
Weight: 8,7kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 8W  
Lumen: 8x 960lm  
Kelvin: 2300+3000+4000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
