

Pendant

LUCENT – 344531106

incl. 11x SMD, 2,8W · 11x 280lm,
2300+3000+4000K

- Dimmable via switch
- Ceiling mounting
- Registered model
- IP20
- Adjustable in height
- Colours directly adjustable at the lamp

With its elegant design, the LUCENT pendant light adds numerous impressive moments to your dining area. As targeted lighting above a dining table, the luminaire is particularly effective and ensures optimum lighting conditions with its cylindrical glass shades. An integrated SWITCH dimmer allows the brightness to be adjusted from 100% to 50% and 25% using a conventional light switch. You can also use the DIP SWITCH directly on the luminaire to choose from three different light colours to create the atmosphere you want. The combination of chrome-coloured metal and chrome-plated glass shades can be wonderfully integrated into modern living spaces. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.

Material construction

Metal · Chrome
Glass · Chrome plated

Product dimensions

Height: 150cm
Diameter: 50cm
Weight: 8,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 2,8W
Lumen: 11x 280lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20

Dealer information

EAN Code: 4017807578164
Customs number: 94051150000
