

Pendant

LACAL – 379190732

incl. 7x SMD LED, 4W · 7x 380lm, 3000 + 5000K

- **Adjustable light color**
- **Adjustable height**
- **4 level Touch function**
- **Up and Down lighting**
- **Ceiling mounting**
- **IP20**
- **Not dimmable**

The LACAL pendant light impresses with its mix of timeless shape and elegant colour scheme. In addition to its stylish appearance, the luminaire also boasts impressive technical highlights. The brightness and light colour can be controlled separately and adjusted individually using two buttons on the top of the luminaire. Choose between warm white 3000 Kelvin or cool white 5000 Kelvin and four brightness levels to create the right ambience for your needs. The light emission upwards and downwards enables targeted lighting and ensures a harmonious overall appearance. The LACAL can be individually adjusted in height between 95 cm and 160 cm, making it perfect for lighting your dining table. Of the seven light sources, five are round on the underside of the luminaire and two are rectangular on the top. The luminaire in matt black has an elegant appearance and gives an harmonious overall picture with targeted lighting due to the upward and downward light emission. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Black mat
Acryl · White

Product dimensions

Width: 100cm
Height: 160cm
min. height: 95cm
Depth: 8cm
Weight: 2,1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 4W
Lumen: 7x 380lm
Kelvin: 3000 + 5000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 20000x ON/OFF
