

Ceiling lamp

## BUBBLE – 617400879

excl. 8x G9 · max. 10W

- Ceiling mounting
- Registered model
- IP20
- Lamp(s) not included

The lights in the BUBBLE range create remarkable accents with a wow effect in your living area. The ceiling light unfolds its extraordinary effect particularly impressively in the bedroom or living room and plays with light and shadow thanks to its unmistakable design. The unique design of the light is emphasised by the material combination of white glass and gold-coloured metal. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

### Material construction
