

Ceiling lamp

BARRET – 617500306

excl. 3x E14 · max. 10W

- **Ceiling mounting**
- **Registered model**
- **IP20**
- **Lamp(s) not included**

The BARRET ceiling light sets stylish and decorative accents that perfectly match the current trend. With its two elegantly shaped glass shades per light source, it conjures up a particularly soft, atmospheric light in your living or sleeping area. The use of chrome-coloured metal lends the light a timeless elegance, while the combination of the outer transparent glass shade and the inner white glass shade simultaneously radiates a touch of modernity. This allows the pendant light to blend effortlessly into a wide variety of furnishing styles. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

Material construction

Metal · Chrome
