The versatile glass shades of the DIVA ceiling light lend your interior a special charm. Above the dining table or coffee table, they attract attention as an impressive eye-catcher. The special shape and design of the glass diffuses the light softly and glare-free, creating a cosy play of light. This warm lighting atmosphere, coupled with the timeless design, will quickly make DIVA a favourite in your home. The glamorous combination of matt brass and white opal glass gives the three-lamp light an elegant and discreet look. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
