

Ceiling lamp

LUGANO – 621910317

incl. 1x SMD LED, 38W · 1x 4200lm, 3000K

- Dimmable via switch
- Ceiling mounting
- IP20

Simpler forms. The LUGANO ceiling lamp inspires with a combination of elegance and cosiness. Thanks to the design with three textile shades, the lamp creates a particularly atmospheric atmosphere. In addition, the luminaire is equipped with a SWITCH dimmer that allows brightness levels of 100, 50 and 25 percent using conventional light switches. A white, a black and a grey fabric shade together create a harmonious combination that can be used in a variety of ways. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Metal · White
Fabric · White
Fabric · Black
Fabric · Grey

Product dimensions

Height: 14cm
Diameter: 64cm
Weight: 3,2kg

Technical data

Light source: SMD – LED (integrated)
Watt: 38W
Lumen: 1x 4200lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 25000H
Switching cycles: 15000x ON/OFF
