With its organic shapes, the RISE ceiling light creates a cosy atmosphere in your living or sleeping area. The unique design of the two illuminated surfaces makes a powerful statement. Even if you are already relaxing comfortably on the couch, you can easily adjust the brightness and light colour from a distance using the remote control supplied. Perfect for cosy movie nights! The sophisticated colour combination of black and gold gives your rooms a touch of elegance and modernity. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.
