

Ceiling lamp

GRANADA – 673810332

incl. 1x SMD LED, 36W · 1x 4300lm, 3000K

- Dimmable via switch
- Ceiling mounting
- IP20

GRANADA – an effective eye-catcher. The two-colour concept adapts to modern furnishing and colour worlds and provides pleasant lighting. It has a SWITCH dimmer which can be used to control three brightness levels using a conventional light switch. The black/gold colour scheme allows shiny highlights to be added to the ceiling. The kicker: The light appears particularly warm and cosy. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Black mat

Product dimensions

Width: 71cm
Height: 10cm
Depth: 63cm
Weight: 2,3kg

Technical data

Light source: SMD – LED (integrated)
Watt: 36W
Lumen: 1x 4300lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
