

Ceiling lamp

## GRANADA – 673890206

incl. 1x SMD, 36W · 1x 4300lm, 3000K

- Dimmable via switch
- Ceiling mounting
- IP20

With a modern and unusual design, this GRANADA series creates an effective eye-catcher in your living room. In addition, the shape of the luminaire makes it perfect for your dining and living area. The luminaire has a SWITCH dimmer. The brightness of the light is adjusted by briefly switching it on and off using the conventional wall switch. Dimming takes place in fixed levels (100%, 50% and 25%). The colour combination white/chrome underlines the modern style and can be combined wonderfully. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Metal · Chrome

### Product dimensions

Width: 85cm  
Height: 8cm  
Depth: 60cm  
Weight: 2,2kg

### Technical data

Light source: SMD – (integrated)  
Watt: 36W  
Lumen: 1x 4300lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
