

Ceiling lamp

GRANADA – 673890232

incl. 1x SMD, 36W · 1x 4300lm, 3000K

- Dimmable via switch
- Ceiling mounting
- IP20

SIMPLY SHINY - Simple design for stylish interiors. Metal lights in gold can be used to create shiny highlights on ceilings and walls. The highlight: the light appears particularly warm and cosy. With a modern and unusual design, this GRANADA series creates a striking eye-catcher in your living space. The luminaire has a SWITCH dimmer, allowing the luminaire to be dimmed in stages (100%, 50% and 25%) using the conventional light switch. The GRANADA ceiling light is designed in black metal. This makes it suitable for a wide variety of furnishing styles. The golden socket rounds off the stylish design of the light. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Black mat

Product dimensions

Width: 85cm
Height: 8cm
Depth: 60cm
Weight: 2,2kg

Technical data

Light source: SMD – (integrated)
Watt: 36W
Lumen: 1x 4300lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
