

LED MIRRORS

# GLOW

The GLOW LED mirror features adjustable backlighting, making it a modern and stylish addition to any interior. Equipped with LED lights, the mirror allows you to change the color temperature from 2700K to 6500K, catering to various needs. Whether you prefer warm, soft light for a cozy atmosphere or bright, cold white light for precise cosmetic procedures, GLOW offers both functionality and aesthetic appeal, striking the perfect balance between practicality and elegance in your space.
