

# MAYA

The Maya LED round mirror with neutral white backlighting is an elegant and functional solution for any interior. It emits 4000K neutral white light, providing ideal conditions for daily grooming, makeup, or shaving. This type of lighting is closest to natural daylight, making colors more accurate and eliminating harsh shadows.

The Maya mirror is equipped with uniform LED backlighting along the entire perimeter, emphasizing its modern style. It is also an energy-efficient light source with a long service life. Its simple round design and universal backlighting make it an ideal addition to bathrooms, bedrooms, or dressing rooms in a modern style.
