The TRAIL luminaire is a guaranteed eye-catcher on any ceiling or wall! The geometric design of the luminaire can be swivelled individually and transforms the individual elements into versatile light sources. The tasteful light art is an elegant accessory in the interior of your living or sleeping area and skilfully enhances any room to create a feel-good space. The combination of timeless design in matt black and high-quality metal makes the TRAIL a special decorative element in your home. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.
