LED MIRRORS

RONDO

The RONDO round LED mirror is a stylish and practical addition to any modern interior. It combines sophisticated aesthetics with functionality. Its main feature is the ability to change the color temperature of the backlight from warm to cold white, allowing you to adjust the lighting from soft, cozy light (2700K) to bright, cold light (6500K).
RONDO is equipped with uniform LED backlighting along the entire circumference, ensuring durability and energy efficiency. The mirror's simple round design fits seamlessly into any modern setting, adding a stylish accent to the bathroom, bedroom, or dressing room.
