

LED MIRRORS

VERONA

The Verona LED mirror with adjustable backlighting is a versatile and stylish solution for those who appreciate modern design and functionality. The mirror is equipped with LED backlighting that allows you to adjust the color temperature in the range from 2700K to 6500K. This enables you to choose between warm white light (2700K) for a cozy and relaxing atmosphere, and bright cold white light (6500K) for tasks such as makeup or shaving.

The Verona mirror combines functionality, convenience, and elegance, brightening and adding comfort to any space.
